St. Luke’s Cancer Center

How Can I Help Fight Against Cancer?

Cancer is a word no one wants to hear yet far too many of us do. All of us know someone who is dealing with cancer. In fact, the number of patients seeking cancer treatment at St. Luke’s continues to increase each year.

St. Luke’s is passionate about its fight against cancer and is committed to becoming one of the region’s most prominent leaders in cancer research, prevention, detection and treatment.

One of the ways you can help us in the fight against cancer is to join the St. Luke’s Cancer Connection and become a champion in the fight against cancer. The Cancer Connection is a grassroots cancer advocacy group committed to improving the level of cancer care in the greater Lehigh Valley and surrounding communities. Membership is free. As a member, you will be invited to take part in many activities that will help ensure people living and working in our own neighborhoods have easy access to the most advanced and comprehensive cancer treatments available.

Another way you can help is to make a tax-deductible gift that will support:
- Expansion/construction of cancer facilities
- Preventive screenings
- New technology and treatments
- Cancer research and clinical trials
- Support groups and nutrition counseling
- Funds to assist patients with transportation or medication expenses

Your support of these and other cancer-related services will help to ensure our patients receive the best diagnosis and treatment options as close-to-home as possible from an excellent team of cancer care professionals. Won’t you please join us in the fight against cancer in our community?

continued on back
Yes, I/we want to Join in The Fight Against Cancer through a tax deductible donation:

☐ $1,000  ☐ $500  ☐ $250  ☐ $100  ☐ $50  ☐ Other ______
