Dear Prospective Volunteer:

Thank you for your interest in our volunteer program! We believe you will find volunteering for St. Luke’s University Health Network to be a rewarding experience while using your valuable talents and skills. We greatly appreciate the contributions given by our volunteers and offer many benefits, such as discounted gym memberships and programs, free meals, recognition events and much more!

Volunteering at St. Luke’s is an exciting opportunity and easy to start! Below is a brief overview of the steps to start:

- Complete the enclosed application and return to the Volunteer Department
- Give the personal reference forms to two people who can objectively describe your work and interpersonal skills. Please ask each reference to complete and return the form as quickly as possible. Interviews will not be conducted until both reference forms are received.
- Expect a call from the Volunteer Services Department to schedule an interview to learn how your time can make a difference!
- An orientation session will be scheduled, acquainting you with volunteer guidelines, familiarize yourself with the hospital environment and share exciting benefits you will receive as a volunteer.

*Health history and Criminal Clearances required by many healthcare organizations:*

- All volunteer assignments at St. Luke’s require immunity to certain diseases as well as a Tuberculin Test as well as several strongly recommended vaccines, all of which will be reviewed during your interview.
- All volunteer assignments require criminal clearances to be completed. To protect your privacy, prospective volunteers will be provided a step by step form explaining how to complete the clearance, which is then supplied to the Volunteer Office. Volunteers are reimbursed upon completing 100 hours at St. Luke’s Hospital.

It is important to note that volunteering for St. Luke’s does not guarantee future paid employment as Volunteer Services and Human Resources are separate departments. Volunteers are trained and mentored by staff and managers; however, they do need to be independent in handling assigned tasks. If you have any questions, please contact our office.

*We look forward to meeting and learning more about you!*  
~ St. Luke’s Volunteer Leadership Team
